*May you always
walk in sunshine.
May you never
want for more.
May Irish angels
rest their wings right beside
your door.*

*May you have the hind-
sight to know where you've
been
the foresight to know where
you're going
and the insight to know
when you're going too far.*

*May you have
warm words on a
cold evening,
a full moon on a
dark night,
and the road
downhill all the
way to your door.*

*May the Irish
hills caress you.
May her lakes and rivers
bless you.
May the luck of the Irish
enfold you.
May the blessings of Saint
Patrick
behold you.*

*For each petal on
the shamrock.
This brings a
wish your way
Good health, good
luck, and happiness
For today and
every day.*

*May your thoughts
be as glad as the shamrocks,
May your heart be
as light as a song,
May each day bring you
bright,
happy hours,
That stay with you
all the year long.*

*May joy and peace sur-
round you,
Contentment latch your
door,
And happiness
be with you now,
And bless you
evermore.*

*May the good saints protect
you,
And bless you today.
And may troubles
ignore you,
Each step of the way.*
